SEEDS

THOMAS GRISWOLD & CO.

— OFFICE AND WAREHOUSE —

SOUTH WETHERSFIELD, CONNECTICUT

1913

ORDER EARLY

It will greatly facilitate matters if orders are sent early. We aim to ship promptly, but during the busy season this is almost impossible, on account of our being covered up with orders that are delayed until near planting time. Hence it is advisable to send in orders **as early as possible**.

VISITORS WELCOME

Our office and warehouse is about six miles south of Hartford, on the line of the Hartford and Middletown trolley (Station 23).

We are glad to have parties call that find it convenient to do so.

FOR YOUR FRIENDS

We will gladly send catalogues to your friends if you will supply us with their names and addresses.

THOS. GRISWOLD & CO.

TERMS

The prices named herein are **net cash** with order. To customers of approved credit and well known to us we will sell on limited time, with interest added at six per cent. All outstanding bills are due June 1.

When seeds are wanted by mail, postage must be added at the rate of 8 cents per pound for seeds (except flower seeds), 10 cents per quart for Corn and Onion Sets, and 15 cents per quart for Beans and Peas.

Bags, barrels, and other packages, free of charge. No charge for cartage.

Purchasers pay express and freight charges unless otherwise agreed.

DISCLAIMER

As so much depends upon the condition of the weather, soil, etc., when seeds are planted, and the care taken in planting them, we sell our goods, in common with other reliable seed houses, subject to the following disclaimer adopted by the American Seed Trade Association:

Thomas Griswold & Co. give no warranty, express or implied, as to description, quality, productiveness or any other matter of any seeds, bulbs or plants they send out, and will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

THOS. GRISWOLD & CO.

HOW TO ORDER

Order Early. It is highly important that you order as early as possible. We receive so many orders near planting time that our facilities are overtaxed to keep up with them. Read the catalogue thoroughly, make out your order carefully, and please send it in as early as you possibly can.

How to Send Money. Remit by post-office or express money order, registered mail or bank draft. Parties with established credit may send personal checks. Postage stamps accepted for amounts under \$1.00. Post-office money orders should be made payable at South Wethersfield, Conn.

Name and Address. Please remember to write your name, post-office, county and state as distinctly as possible: also the nearest express office and freight station, or, if on a stage route, send us special directions, giving us the name of the express company delivering the goods.

Correspondence. We try to give prompt attention to all proper letters of inquiry, etc. We ask, as a favor, that all questions be stated clearly and briefly, and not on order sheets.

Shipping Instructions should accompany each order. If no such instructions are received we will ship by the best and cheapest route known to us.

After shipping in good order our responsibility ceases. Claims for damages or miscarriage must be laid on the carriers.

READ THIS PAGE—IT IS IMPORTANT

We want you to know just why we are able to furnish high-grade seeds at the low prices which we quote. Here are some of the reasons:

We are seed growers of long experience. This business is nearly seventy years old, having been established in 1845.

We live in a very fertile seed-growing section and have good crops almost without exception.

We transact our business in our own buildings on our own seed farms. Being in the country, we have no heavy city expenses to pay.

We deal direct with the planter, saving him extra expense and dealers' profits.

We do no extensive advertising. We do not spend large sums for fancy catalogues, but try to make our catalogue plain and right to the point.

Our business is the growing and handling of seeds, and we personally oversee the business.

Varieties that do not mature well in this section we have grown elsewhere, by experienced growers who make specialties of growing the special varieties wanted. Our long experience has taught us where to place these contracts to get the best and most economical results.

We do principally a cash business, thus saving many losses.

THOS. GRISWOLD & CO.

ASPARAGUS

	Per oz.	Per ¼ lb.	Per 1 lb.	5 lbs. or more Per lb.

Early Paris. Good quality, medium large heads.....	20	35	55	2 00
Algiers. Vigorous growth, large head, late.....	25	40	60	2 25

CELERY

Paris Golden. We always contract for this variety with the originators in France, but owing to an oversight last spring, we did not get our contract in early enough for them to accept, so we are badly disappointed and have none of this seed to offer this season. We have a large contract placed for next year's seed and hope to be able to take care of all orders another season.

CELERY—Continued

	Per oz.	Per ¼ lb.	Per 1 lb.	5 lbs. or more Per lb.
White Plume. A fine white celery and needs but little bleaching....	\$0 15	\$0 40	\$1 40	\$1 30
Giant Pascal. Excellent green variety, crisp and tender, fine keeper.	10	30	1 00	90
Perfection Heartwell. Golden yellow hearted, superior quality.....	10	30	1 00	90
Golden Heart Dwarf. Old standard, fine flavor.....	10	30	1 00	90
Columbia A second early variety and in appearance very much like Paris Golden and is of excellent quality.....	15	50	1 75	1 60
Boston Market. One of the old reliable sorts.....	10	30	1 00	90
Kalamazoo. Large ribbed, tender and crisp.....	15	35	1 25	1 15
Shumacher. Very large yellow heart, nutty flavor, crisp.....	15	35	1 25	1 15
Winter Queen. Finest winter variety, long keeper.....	15	35	1 25	1 15
Celeriac. Large, smooth sprague, turnip-rooted celery.....	10	30	1 00	90

CORN SALAD

Broad Leaved. A good substitute for lettuce in winter.....	05	15	40	35
---	----	----	----	----

SWEET CORN

We have for years grown large quantities of Sweet Corn here on our Connecticut seed farms and have spent much time and care in improving stocks, and think we have some of the finest stocks that can be grown. We certainly get sweeter and better flavored Corn than can be grown in most any other part of the country. We supply many Market Gardeners with this Corn and it gives excellent satisfaction.

	Per quart.	4 quarts.	Per peck.	Per bu.
Extra Early Dawn. Resembles Extra Early Red Cory. About same size, week to ten days earlier.....	\$0 20	\$0 60	\$1 10	\$4 00
Golden Bantam. A beautiful golden yellow variety of fine, sweet flavor, early, productive and excellent quality, and is very popular in many sections.....	20	60	1 10	4 00
Extra Early Red Cory. Very early, large kernel, medium size red cob	15	50	85	3 00
Extra Early White Cory. Like the above, only white.....	15	50	85	3 00
Mammoth White Cory. About as early and larger than White Cory.	15	50	85	3 00
Cosmopolitan. One of the best Early Large Eared varieties.....	15	50	85	3 00
Early Minnesota. Early variety and good quality.....	15	50	85	3 00
Early Metropolitan. Large, second early, white ears.....	15	50	85	3 00
Early Champion. Large ear, white grain, early, market gardeners' favorite	15	50	80	3 00
Crosby's Early. No better corn grows, for second early.....	15	50	85	3 00
Perry's Hybrid. Sweet, tender, good sized ear, second early.....	15	50	85	3 00
Black Mexican. Black kernel, fair sized ear, second early, fine quality	20	60	95	3 50
Moore's Early Concord. Thick ear, good size, fine quality.....	15	50	80	3 00
Early Evergreen. About ten days earlier than Stowell's Evergreen, ears little smaller.....	15	50	90	3 50
Potter's Excelsior or Squantum. Second early, very sweet.....	15	50	85	3 00
Early Mammoth. Long, slim ear, about two weeks earlier than Late Mammoth	20	60	95	3 50
Stowell's Evergreen. Old and tried variety and a great favorite with many	15	50	80	3 00
Country Gentleman. A fair sized ear with long slim kernels very sweet and quite late.....	20	60	95	3 50
Late Mammoth. Very large white ears and late.....	20	60	95	3 50

For Field and Ensilage Corn, see pages 22 and 23.

CRESS

	Per oz.	Per ¼ lb.	Per 1 lb.	5 lbs. or more Per lb.
Extra Curled. Quick growing plant, used as salad.....	\$0 05	\$0 10	\$0 25	\$0 20

CUCUMBER

Davis' Perfect. A beautiful dark green variety, handsome shape and enormous producer; excellent for either forcing or out door culture	10	25	80	70
Klondike. A strain of White Spine with dark green skin when small, and extra fine quality.....	10	25	70	60
Arlington White Spine. A superior strain for forcing.....	10	25	70	60
Peerless White Spine. Early, handsome, fine cucumber.....	10	25	70	60
Fordhook Famous. Extra long dark green variety and fine quality, very prolific	10	25	80	75

EXTRA LONG WHITE SPINE

PEERLESS WHITE SPINE

Improved Early White Spine. Medium length, early, tender and crisp	10	25	70	60
Extra Long White Spine. Long, slender, excellent for pickles.....	10	25	70	60
Thorburn's Everbearing. Early and productive, small.....	10	25	70	60
Early Cluster. Medium size, productive, cucumbers clustering about the hill	10	20	60	50
Green Prolific. Uniform size, dark green, nice for early pickles.....	10	20	60	50
Boston Pickling. A great favorite in Boston market.....	10	20	60	50
Extra Early Russian. Small, extra early variety.....	10	25	70	60
Cool and Crisp. Medium length, very dark green, crisp and tender..	10	25	80	70
Improved Long Green. Extra long, fine quality, for pickles.....	10	25	70	60
Gherkin or Burr. Small prickly sort, used for small pickles.....	10	30	1 00	90

DANDELION

Improved French Large-Cut-Leaved. Excellent for greens.....	25	80	3 00	2 90

Universal Purple-Top Yellow. Very hardy.....	05	15	35	30

We very much desire that you send us your order, for we feel confident that our seeds would please you, and certainly our prices are reasonable. We are not asking you to pay two or three extra profits, but give you an opportunity to buy your seeds direct from growers. Possibly you may never have dealt with us, and know nothing about our seeds. If this is the case, send us a trial order, and let us prove that our seeds are first class.

Please remember that our Catalogues are free to your friends that plant seeds. Simply send us their address, and we will mail them Catalogues.

A PICTURE FREE

This year we are giving a picture free to parties that send us a cash order of \$5.00 or more and state on the order that they wish the picture. This picture is 15 x 20 inches and represents a winter scene of an Old Mill with wheel and surroundings. Only one picture given to any one person.

GRASS SEED

It is of the utmost importance to the farmer that the grass seed he sows should be pure and clean. First-class re-cleaned seed, while costing a little more in the first place, is much cheaper in the end than the light chaffy grades sold at low prices.

We handle the best grades of grass and clover seed. Kindly bear this in mind and let us quote you prices. Our sales on high-grade seeds have increased from year to year, and no other grade will give as good satisfaction.

- Fancy Lawn Grass Mixture.....
- Red Top. Sown alone or with Timothy makes excellent hay.....
- Timothy or Herds Grass. Makes fine horse hay (Bushel 45 lbs.)....
- Orchard Grass. Good to sow with other grass seed for pasture and shady places
- Kentucky Blue Grass. Valuable for pasture when mixed with other varieties. Also excellent for lawns.....
- English Rye Grass. A permanent nutritious meadow grass.....
- Meadow Fox Tail Grass. Earlier than Timothy, which it resembles.
- Tall Meadow Oat Grass. Early, luxuriant growth, excellent for pasturing or hay.....

CLOVER SEED

- Alsike. Excellent for permanent pasturage, very hardy, good for wet or dry soil. Also makes fine hay (Bushel 60 lbs.).....
- Alfalfa or Lucerne. When well rooted is very hardy, three crops in one season, fine cow feed (Bushel 60 lbs.).....
- White Dutch. Good for pastures, when sown with red clover.....
- Medium Red. This is the common hay clover so extensively used (Bushel 60 lbs.).....
- Mammoth Red or Pea Vine. Excellent to plow under for green manure (Bushel 60 lbs.).....
- Crimson or Scarlet Italian. Excellent for bees also to plow under (Bushel 60 lbs.).....

The Grass-Seed Market fluctuates greatly and we are unable to make permanent prices. Write when in want and we shall be pleased to quote prices.

MILLET

	Per 4 quarts.	Per peck.	Per bu.	2 bus. or more Per bu.
German or Golden. (Bushel 50 lbs.) Quite similar to Hungarian, somewhat larger and should be sown earlier.....	\$0 25	\$0 40	\$1 50	\$1 40
Hungarian Grass or Millet. (Bushel 48 lbs.) Extensively sown to help out late feed and hay crop.....	25	45	1 60	1 50
Japanese or Barnyard Millet. (Bushel 32 lbs.) A great forage plant, very heavy cropper.....	35	50	1 60	1 50

Field and Ensilage Corn

The high prices for grain the past few years has made it very important that the farmer and dairyman take particular pains to grow a good supply of Corn and Ensilage and great care should be taken to plant the best of stocks. We list a few varieties below that we recommend, the selection to be made according to your requirements.

THOROUGHbred LEAMING

which is much superior to the old style of Leaming Corn. Kernels and Ears more uniform, better filled out and of much purer type. Stalks are large with abundance of leaves and heavy yielder of large, handsome ears.

Price: \$0.25 per 4 quarts; \$0.45 per peck; \$1.60 per bushel; \$1.50 per bushel for 2 bushels or more.

THOROUGHbred LEAMING

Ninety-Day Yellow. (True stock); probably the earliest field corn in cultivation; bright yellow flint, small cob and very prolific. Can be planted as late as July 1 and mature in an ordinary season in this section.....

Early Canada Yellow. Medium size flint corn, extensively grown in New England

Longfellow. A yellow flint variety, the ears are long, slim and quite early

	Per 4 quarts.	Per peck.	Per bu.	2 bus. or more Per bu.
Ninety-Day Yellow.....	\$0 35	\$0 55	\$2 00	\$1 85
Early Canada Yellow.....	25	45	1 50	1 35
Longfellow.....	25	45	1 60	1 50

FIELD and ENSILAGE CORN—Continued

	Per 4 quarts.	Per peck.	Per bu.	2 bus. or more Per bu.
Sanford White Flint. A long white flint corn, matures earlier than most Dent varieties. The stalks are tall and leafy, which makes it valuable for Ensilage.....	\$0 25	\$0 45	\$1 60	\$1 50
Pride of the North. Early maturing Dent variety, good for ear or ensilage	25	45	1 50	1 40
Reed's Improved Yellow Dent. A very choice strain of Yellow Dent.	25	45	1 50	1 40
Red Cob Ensilage. A late white corn, red cob, used extensively for ensilage	25	45	1 50	1 35
Sweet Corn for Fodder	35	60	2 00	1 75

Flower Seeds

On the following pages we list selections of choice Flower Seeds put up in very liberal Packets.

Annuals—Bloom first year from seed and plant dies after one season.

Biennials—Bloom second year from seed and plant dies after second year.

Perennials—Bloom second year from seed and plant lives and blooms for several years.

Tender—Means plant will not stand the least frost.

Half-Hardy—Means plant will stand a little frost and needs protection.

Hardy—Means plant will stand considerable frost.

AGERATUM (Floss Flower)

Pkt.

A hardy annual of easy culture. Especially valuable for bedding as it is literally covered with blossoms all summer. Sow the seed early in spring, either in boxes to transplant, or out of doors and thin to four or six inches.

Best Mixed Varieties..... \$0 05
5 Pkts., 20 cents.

ALYSSUM, Sweet

A fragrant hardy annual, bearing spikes of small, white flowers in great profusion throughout the summer and autumn. Useful for borders or early bedding. Sow the seed early in spring.

Little Gem, 3 to 4 inches high..... 05
5 Pkts., 20 cents.
White Carpet 05
5 Pkts., 20 cents.

ANTIRRHINUM (Snap Dragon)

A half-hardy perennial, growing from 6 inches to 2 feet tall. Flowers are oddly shaped and apparently closed, but by pressing the sides together can be made to open like a dog's mouth.

Extra Choice Mixed..... 05
5 Pkts., 20 cents.

ASTERS

A popular half-hardy annual, growing from one to two feet high. The best method of culture is to sow the seed in boxes in late

Pkt.

winter and transplant about May 1. The seed can be sown, however, in rows where the plants are to remain, thinning them 10 to 12 inches apart.

Queen of Spring. (White)..... \$0 10
5 Pkts., 40 cents.

Queen of Market. Choice Mixed..... 10
5 Pkts., 40 cents.

Choice Tall Mixed. Best Varieties..... 10
5 Pkts., 40 cents.

Best Dwarf Mixture..... 10
5 Pkts., 40 cents.

Comet, Choice Mixed

An extremely beautiful class, of the same height and habit as the Dwarf Paeony Perfection, forming regular pyramids 12 to 15 inches high, covered profusely with large double flowers, resembling in shape a large-flowered Japanese Chrysanthemum, the petals being long and twisted, and recurved in such a manner as to form a loose, but still dense, semi-globe..... 15
5 Pkts., 60 cents.

Victoria, Choice Mixed

Height about 18 inches. It has a good habit, and makes a desirable late summer bedding plant, also being suitable for pots. The blooms are large, double and very handsome, coming in great profusion..... 10
5 Pkts., 40 cents.

ASTERS—Continued

Truffaut's Paeony-Flowered Perfection Mixed Pkt.
A splendid hardy variety, growing from 18 inches to 2½ feet high. The flowers are large, double, globe-shaped, and are borne on elongated stems. The weight of the flowers renders the use of sticks necessary.. \$0 10
5 Pkts., 40 cents.

Dwarf Chrysanthemum-Flowered Mixed
Comes 8 to 10 inches high; the branches are numerous and regular in height. The flowers are very broad, slightly flattened, and very beautiful. Specially suitable for pot and border culture, and valuable on account of its profuse late flowering..... 10
5 Pkts., 40 cents.

ASTER

Rose-Flowered, Choice Mixed
Height 18 to 20 inches; somewhat similar to Victoria, but the flowers are rather more compact 10
5 Pkts., 40 cents.

BACHELOR'S BUTTON

A hardy annual of easy culture. Sow the seed early in spring where it is to remain and thin to 3 or 4 inches. 05
Finest Mixed Varieties..... 05
5 Pkts., 20 cents.

BALSAM OR LADY SLIPPER

A tender annual with brittle stem, and foliage, grows about 12 inches high. Flowers are wax-like and very attractive. 05
Best Double Mixed..... 05
5 Pkts., 20 cents.

CALLIOPSIS

A half-hardy annual, growing 3 feet high and valuable for bright bedding effect or for cut flowers. Pkt.
Grandiflora \$0 10
5 Pkts., 40 cents.

CANDYTUFT

A hardy annual of easy culture, growing 10 to 18 inches high. The flowers are white and borne on various long spikes, forming very large heads, and are used for bedding or cut flowers.
Giant Hyacinth, Flowered..... 05
5 Pkts., 20 cents.

CALLIOPSIS

CARNATION

A half-hardy perennial, used generally for greenhouse trade in winter and for a general garden favorite in summer. Sow the seed early in the year in hotbed and transplant about April 15.
Margarita, Choicest Mixed..... 10
5 Pkts., 40 cents.

CENTAUREA

A hardy annual, growing 1½ to 2 feet high, bearing beautiful large flowers resembling sweet Sultan, but with a large petal margin around the blossom, sow seed early and transplant.
Imperialis Choice Mixed..... 15
5 Pkts., 60 cents.

CARNATION

CLARKIA

Pkt.

Hardy annual of easy culture about 18 inches high, flowering in great profusion, seed sown in fall will give blossoms in spring, and can be sown most any time.

Choice Mixed \$0 05
5 Pkts., 20 cents.

DAHLIA

COCKSCOMB

Pkt.

A half-hardy annual, growing 6 to 8 inches high, bearing a wide wavy blossom that resembles a cock's comb. Brilliant colors and fine for massing or border work.

Choicest Dwarf, Mixed Varieties..... \$0 10
5 Pkts., 40 cents.

CLARKIA

MIGNONETTE

CENTAUREA

COSMOS

A tender annual, with fine cut feathery foliage and large feathery blossoms. Grows 4 to 6 feet high and blooms late in fall. Sow about May 1 and transplant in late May or June.

Choice Mixed Varieties..... \$0 05
5 Pkts., 20 cents.

DAHLIA

A well known and popular late summer and autumn flowering plant. Seed may be sown early in hot bed and plants transplanted in May after all danger of frost is over. By sowing the seed early the plants may be made to bloom the first year.

Single (Extra Choice Mixed)..... 10
5 Pkts., 40 cents.
Double (Large Flowering, Finest Mixed)..... 15
5 Pkts., 60 cents.

DIANTHUS (Pinks)

Hardy annual, about one foot high and bearing beautifully colored single and double blossoms in profusion all summer. Sow seed early in boxes and transplant, or sow in rows where the plants are to remain and thin.

Splendid Mixed Varieties..... 05
5 Pkts., 20 cents.

DIGITALIS (Fox Glove)

A hardy perennial, blooming the second year from seed. Grows usually about 3½ feet high. The bell-shaped flowers are borne on long spikes and in shades of pur-

ple, lavender, rose and white. All spotted lightly inside the blossom. Thrives best in cool, shady locations.

Choice Mixed Varieties..... \$0 05
5 Pkts., 20 cents.

GODETIA

Hardy annual of compact growth, 6 to 10 inches high, bearing a profusion of satin cup-shaped flowers, valuable for bedding or massing. Sow seed early.

Duchess of Albany..... 10
5 Pkts., 40 cents.

HOLLYHOCK

A hardy perennial of upright, stately growth, 5 to 8 feet high. They make a fine row in the garden, or a fine background next to a building or high wall or fence.

Finest Double Mixed..... 10
5 Pkts., 40 cents.

MARIGOLD

A hardy annual shrub plant in dwarf and tall varieties, growing from 6 inches to 3 feet high. Foliage bright green, deeply cut, and graceful. The flowers are various shades of yellow and brown. Tall varieties are valuable for large bedding or background work and the dwarf varieties for border.

Eldorado, Mixed Colors (Tall)..... 05
5 Pkts., 20 cents.
Dwarf, Gold Striped..... 05
5 Pkts., 20 cents.

DIANTHUS

MIGNONETTE

A hardy annual, growing 6 to 12 inches high and bearing pyramidal-shaped flower spikes, which are made up of thickly set flowerets; exceedingly fragrant. Grows easily from seed and can either be transplanted from boxes or sown in garden and thinned to 4 to 6 inches. Valuable for potting, bedding or bordering.

Dwarf German Mixed..... 15
5 Pkts., 60 cents.

Large Flowering Mixed..... 15
5 Pkts., 60 cents.

SWEET PEAS

The Sweet Pea is a climbing annual and hardy. This popular flower is of the easiest culture and well adapted to most any climate. The seed should be sown early in the spring in a drill 4 to 6 inches deep, dropping three or four seeds every four inches and covering about one inch, working the soil around the plant as it comes up until it is on a level with the surface, this leaves the roots down deep enough not to be affected by dry weather.

Sweet Peas require an abundance of water and an open location. The water should be applied at the roots and the vines should not be sprinkled. A trellis of brush or chicken wire is necessary.

**SWEET PEAS**

- Apple Blossom.** Crimson, pink and white shaded.
- Aurora.** Orange, rose striped or white.
- Blanche Burpee.** Pure white (white seeded).
- Countess of Cadogan.** Purple changing to lilac and blue.
- Countess of Radnor.** Lavender.
- Dorothy Eckford.** Pure white.

SWEET WILLIAM

Pkt.

A hardy perennial, blooming the second year from seed. Grows 1 to 2 feet high and bears its flowerets in clusters at end of a stiff stem. The individual flowers are handsomely colored and marked. It makes a beautiful bedding plant, and is of easy culture.

Double Finest Mixed..... \$0 10
 5 Pkts., 40 cents.

**ZINNIA****VERBENA**

A half hardy trailing perennial of easy culture. It is well known as a bedding or border plant and is also used to some extent for cut flowers.

Henderson's Mammoth, Finest Mixed..... 15
 5 Pkts., 60 cents.

ZINNIA

A half-hardy annual, growing from 1 to 2 feet high. Blossoms are very double and while the stems are stiff they make an excellent bouquet flower. The colors are in great variety and very bright. Probably no flower has such an assortment of shades, tints, and colors, and no bedding plant is more effective for a brilliant show. Sow in boxes early and transplant.

Double Fine Mixed..... 05
 5 Pkts., 20 cents.
